- 1 This week's topic is important for teamwork because we discussed loyalty. Loyalty can influence morale.
- 2 I taught my wife about what I learned in class. She learned about how loyalty can turn a motivated team into a disaster if it is broken.
- 3 I plan on contributing to my team by thinking about how we should be sure to be loyal so that we can keep morale high for as long as we can.
- 4 My experience relates because I have been in groups where members were not loyal and we had people leave or quit halfway through, which hurt our group's production.
- 5 If this were a religion class, I would reference how Heavenly Father is always loyal to us. He will always love us as long as we have faith in him.
