1 This week's topic is important for teamwork because it was about synergizing and knowing how to work with the advantages you have to make the team progress faster.

2 I taught my wife about what I learned in class. She learned about how using your creative advantages inside of your group can help you increase production.

3 I plan on contributing to my team by using my creativity and ingenuity to benefit our projects and build a better and more creative final product.

4 My experience relates because I have been in a few classes where by using synergy to its maximum potential, we were able to make an A grade final project that won the class competition.

5 If this were a religion class, I would relate this to the gospel by saying that the words of the prophets along with the holy ghost can act with synergy to help people feel the gospel when they are in need.
