- 1 This week's topic is important for teamwork because we were taught about the importance of communication (verbal and more)
- 2 I taught my wife about what I learned in class. She learned about the different kinds of communication and how they can affect a group in different ways.
- 3 I plan on contributing to my team by ensuring that we communicate and be sure that we are honest with each other. If we are able to do that, then we will be able to avoid miscommunication.
- 4 My experience relates because I have been in groups where communication is not done correctly and we run into issues where we are unable to complete the project on time.
- 5 If this were a religion class, I would reference how we all need to be willing to communicate with our heavenly father and be open to hearing from him.
